

DSV-Yardstickzahlen 2012

Wie Sie dem Begleittext der Yardstickbroschüre entnehmen können, erteilt der DSV keine Individual Yardstickzahlen. Dies wäre nicht im Sinne des empirischen Systems, welches ausschließlich auf Regattaergebnissen basiert. Für Schiffe die nicht in der DSV-Liste veröffentlicht sind, liegen uns nicht genügend oder gar keine Einstufungsempfehlungen aus den Vereinen vor, so dass wir hier auch keine Zahlen nennen können. Bei der Vielzahl der verfügbaren Typen, können wir nur diejenigen berücksichtigen, die in ausreichender Anzahl aus verschiedenen Revieren zurückgemeldet wurden. Die Wettfahrtleitung vor Ort wird eine Probezahl zuweisen und diese ggf. über den Verlauf einiger Wettfahrten anpassen.
